Please review the Evidence of Coverage for more about Benefits that require prior authorization.

Notes

1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Capitalized terms are defined in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Calendar Year Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

Covered Services not subject to the Calendar Year combined medical and pharmacy Deductible. Some Covered Services received from Participating Providers are paid by Blue Shield before you meet any Calendar Year combined medical and pharmacy Deductible. These Covered Services do not have a check mark (✓) next to them in the "CYD applies" column in the Benefits chart above.

Family coverage has an individual Deductible within the Family Deductible. This means that the Deductible will be met for an individual with Family coverage who meets the individual Deductible prior to the Family meeting the Family Deductible within a Calendar Year. Once the individual Deductible or Family Deductible is reached, cost sharing applies until the Out-of-Pocket Maximum is reached.

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount.
-

4 Using Non-Participating Providers:

Non-Participating Providers do not have a contract to provide health care services to Members. When you receive Covered Services from a Non-Participating Provider, you are responsible for:

- the Copayment or Coinsurance (once any Calendar Year Deductible has been met), and
- any charges above the Allowable Amount.

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount, which is subject to any stated Benefit maximum.
- Charges above the Allowable Amount do not count towards the Deductible or Out-of-Pocket Maximum, and are your responsibility for payment to the provider. This out-of-pocket expense can be significant.

5 Calendar Year Out-of-Pocket Maximum (OOPM):

Calendar Year Out-of-Pocket Maximum explained. The Out-of-Pocket Maximum is the most you are required to pay for Covered Services in a Calendar Year. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year.

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges for services that are not covered and charges above the Allowable Amount.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the Calendar Year combined medical and pharmacy Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

This Plan has a separate Participating Provider OOPM and Non-Participating Provider OOPM.

Covered Drugs obtained at Non-Participating Pharmacies. Any amounts you pay for Covered Drugs at Non-Participating Pharmacies count towards the Participating Provider OOPM.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

6 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit payment in addition to an allergy serum payment when you visit the doctor for an allergy shot.

7 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

8 Outpatient Prescription Drug Coverage:

Medicare Part D-creditable coverage-

This Plan's prescription drug coverage is on average equivalent to or better than the standard benefit set by the federal government for Medicare Part D (also called creditable coverage). Because this plan's prescription drug coverage is creditable, you do not have to enroll in Medicare Part D while you maintain this coverage; however, you should be aware that if you do not enroll in Medicare Part D within 63 days following termination of this coverage, you could be subject to Medicare Part D premium penalties.

9 Outpatient Prescription Drug Coverage:

Brand Drug coverage when a Generic or Biosimilar Drug is available. If you, the Physician, or Health Care Provider, select a Brand Drug when a Generic Drug equivalent or Biosimilar Drug is available, you are responsible for the difference between the cost to Blue Shield for the Brand Drug and its Generic Drug equivalent or Biosimilar Drug plus the applicable tier Copayment or Coinsurance of the Brand Drug. This difference in cost will not count towards any Calendar Year pharmacy Deductible, medical Deductible, or the Calendar Year Out-of-Pocket Maximum. If you or

Notes

your Physician believes a Brand Drug is Medically Necessary, either person may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Drug tier Copayment or Coinsurance.

See the Obtaining outpatient prescription Drugs at a Participating Pharmacy section of the EOC for more information about how a brand contraceptive may be covered without a Copayment or Coinsurance.

Short-Cycle Specialty Drug program. This program allows initial prescriptions for select Specialty Drugs to be filled for a 15-day supply with your approval. When this occurs, the Copayment or Coinsurance will be pro-rated.

Specialty Drugs. Specialty Drugs are only available from a Network Specialty Pharmacy, up to a 30-day supply.

Oral Anticancer Drugs. After the Deductible is met, you pay up to \$250 for oral Anticancer Drugs from a Participating Pharmacy, up to a 30-day supply.

High Deductible Health Plan (HDHP) preventive Drugs. HDHP preventive Drugs obtained from a Participating Pharmacy are covered at the applicable Drug tier Copayment but are not subject to the Deductible. HDHP preventive Drugs do not include those preventive Drugs that are required by Health Care Reform to be covered at no charge. Visit blueshieldca.com/pharmacy for lists of these Drugs.

Retail pharmacy. You may receive up to a 90-day supply for maintenance Drugs at a Participating Pharmacy when you pay the applicable Copayment or Coinsurance for each 30-day supply.

Mail service Drugs. You pay the applicable 30-day retail pharmacy Copayment or Coinsurance for a 30-day supply or less from the mail service pharmacy.

Plans may be modified to ensure compliance with State and Federal requirements.
